Subject: Pelagic RAC contribution to the consultation on reducing the incidental catches of seabirds

Dear Mr McSween,

Thank you for your advice on the consultation on the incidental catches of seabirds.

I would like also to thank you for your warm welcome and your kind invitation to attend one of the RAC's meetings. I look forward to working with you and to meet representatives of the different RACs in the coming months.

Allow me to extend my wish for a constructive dialogue and close cooperation with the RACs.

Yours sincerely,

Lowri EVANS
