Subject: 5 Year Evaluation of the CFCA

On behalf of CFCA, the EU agency responsible for organising operational coordination of fisheries control and inspection activities by the Member States, I would like to inform you about the CFCA first external evaluation exercise.

The CFCA has launched the 5 year external evaluation in line with Council Regulation (EC) No 768/2005 of 26 April 2005, establishing a Community Fisheries Control Agency (Article 39 on evaluation). The evaluation is scheduled to take place from May 2011 to December 2011.

The CFCA has contracted an independent consultant to conduct the evaluation (the consultant comprises the companies Blomeyer & Sanz, Centre for Strategy & Evaluation Services and Evalutility). The consultant's representatives (Jack Malan, Roderick Ackerman, Roland Blomeyer, Antonio Sanz) might contact you to request meetings or documentation, and we would very much appreciate if you could provide your support for this.

For any questions on this evaluation, please do not hesitate to contact the Office of the CFCA Executive Director (clara.fernandez@cfca.europa.eu) or the Consultant's coordinator (Roland Blomeyer, rblomeyer@blomeyer.eu).

I would like to take this opportunity to thank you for assisting us in this exercise.

Yours faithfully,

Harm Koster
