Inclusion of article 40.1 (C) in the Swedish operational programme for the European Maritime Fisheries Fund

Dear Mr Gatt,

Thank you for your letter from 21 January 2015.

The Swedish Government has recently submitted its proposal for an operational programme for the European Maritime Fisheries Fund to the European Commission. The Swedish proposal includes article 40.1 (c) of the regulation (EU) No 508/2014 on the European Maritime and Fisheries Fund and the possibility for the Advisory Councils to apply for fundings within the scope of the above-mentioned article.

Yours sincerely

Stefan Renlund
