Dear Ms Vitcheva,

Subject: Multi-AC Advice on the “Maritime sector – a green post-COVID future” Roadmap

Please find attached the Multi-AC Advice on the “Maritime sector – a green post-COVID future” Roadmap.

The importance of developing a new approach to the Blue Economy and its direct linkage to the seafood industry cannot be underestimated. The members of the undersigned Advisory Councils are pleased to contribute to the development of the Roadmap with their experience and expertise.

The Advisory Councils are continuing their work on this important issue and will monitor further developments linked to this consultation. In this regard, continued close and timely consultation by the European Commission with the Advisory Councils is essential.
